Dear Ms. Wadelton:

This letter acknowledges receipt of your complaint to the Office of Inspector General (OIG) alleging mismanagement and abuse of position on the part of Director General Ruth Davis, Principal Deputy Assistant Secretary for Human Resources Ruth Whiteside, and former Deputy Assistant Secretary for Human Resources Gretchen Welch with respect to your career assignments.

We reviewed your complaint and determined that the alleged actions do not appear to violate any law, regulation, or policy, and no OIG action is warranted.

Thank you for contacting OIG. If I can be of further assistance, you may contact me at (202) 647-9450.

Sincerely,

A handwritten signature in cursive script that reads "Kathy A. Friebel".
